Twig Stories

*“Just in Time
for the Holidays!”*

Illustrated by Award Winning
Disney Artist D.W. Murray

*About Jo Marshall
An Independent Author*

Jo writes about the exploits of stick creatures in old growth forests, and their battles against a changing climate. Jo and her family live near active volcanoes and fragile rainforests in the Pacific Northwest. She enjoys working puzzles, playing board games with her family, and researching for Twig Stories. Jo is a member of the Society of Environmental Journalists.
