Twig Stories

by Jo Marshall

A Journey into Climate Crisis for Young Fantasy Readers

Illustrated by Award Winning
Disney Artist D.W. Murray

"The environmental messages contained in this highly entertaining series of stories are certainly important and are told in a way that will engage children everywhere."

Dr. David Edwards, Manager of Education
The British Columbia Wildlife Park

"I have no doubt that thanks to this series, countless children will develop a passion for our natural world and all living things that require it to survive."

D. Simon Jackson, Founder and Chairman
Spirit Bear Youth Coalition
Executive Producer, *The Spirit Bear Movie*

for Leaf & the Sky of Fire

*"An excellent book
for middle-grade readers"*

Twig Stories

by Jo Marshall

Leaf & the Rushing Waters

"This book offers a remarkable opportunity to instill a sense of environmental awareness in children which is so necessary today. Readers, young and old, will surely find themselves engulfed in this tale of adventure, strength, and doing what's right."

Amanda Swan, Director
Development & Communications
The Lands Council-Beaver Solution
